Information about the service

The Service:

Our Business DSL post-paid service offers fast speed internet access with a static IP address and a monthly included data allowance.

Bundling:

You must have a dedicated phone line for this service to work. The monthly charge does not include phone line rental but we can provide a service that includes phone line rental at an additional cost. Please contact us for further information.

Mandatory components:

You will need a modem/router for this service to work. The monthly charge does not include the cost for a modem/router but you may purchase one from us at an additional cost. Please contact us for further information.

Minimum term:

The service is available with a minimum term of 24 months.

Important conditions:

This service may not be available at your location. Please call us to find out if you can be connected to this service at your location. Connection speeds of up to 20Mbps/1Mbps are available at selected exchanges where ADSL2+ is available and up to 8Mbps/384kbps at all remaining ADSL enabled exchanges. Fast churn fee of \$125 (INC GST) applies for services churned from any provider who participates in the DSL/SSS transfer scheme.

All bills are delivered by email and Direct Debit from either a bank account or credit card is required.

Actual speeds you receive may vary due to a number of factors such as distance from the exchange, the network connectivity to the exchange, your equipment, software, and Internet traffic.

Information about pricing

Minimum monthly charge:

Please refer to the table above for pricing information.

Maximum monthly charge:

The maximum monthly charge depends on whether you have not abused the fair play policy. Refer to fair play policy at www.iot.com.au

Billing:

We will bill you in advance for the minimum monthly charge and features and in arrears for data. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.

Early termination charges:

If you choose to cancel your service or it is disconnected for any reason within the contract term you will be charged an Early Termination Fee comprised of your total monthly access fee multiplied by the number of months remaining in your contract.
